

URGENT PRODUCT INFORMATION

Grecian Delight Urgent Recall

Summary Grecian Delight has issued a recall for tzatziki sauce because of potential contamination with Salmonella. This product contained cucumbers that were originally supplied by SunFed and is linked to the SunFed recall.

Recall Date 12/2/2024

Company Grecian Delight

Product Tzatziki Sauce

Reason Salmonella

Illness Salmonella is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with Salmonella often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with Salmonella can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis and arthritis.

Instructions Please isolate any affected product (see below table) and destroy it in a secure manner to prevent unauthorized consumption. If you have product stored out of the case and are unsure of the code date please destroy this product also.
